

COMPANY PROFILE

MORRISSETTE ELECTRIC, INC. is celebrating their 15th year of providing outstanding customer service throughout Florida. And, we bring many years of construction and electrical experience to our projects. As a full-service Electrical Contractor, our expertise includes residential, commercial, service, and CATV. We do business throughout the Southeast in design-build, hard dollar, time and material and negotiated contracts. Over the past few years, we have successfully completed projects from Roanoke, Virginia to Miami, Florida. We have a constantly expanding list of satisfied customers and we will be happy to furnish additional references upon request.

OUR RECENTLY ADDED PRODUCTS INCLUDE: Solar Photovoltaic Systems for home and business, solar water heaters and solar attic fans.

MISSION STATEMENT: The management and employees of Morrisette Electric are dedicated to providing each project with hard working professional supervision and top-notch electrical craftspeople to ensure the highest quality completed project. We pride ourselves in providing personal service to all of our customers and in always going the extra mile to ensure customer satisfaction and repeat business.

We welcome the opportunity to submit proposals to you for your electrical requirements on upcoming projects. In today's economy, our attention to service, details, quality and scheduling will pay dividends on any project.

KEY PERSONNEL BACKGROUND DATA:**JEAN MORRISSETTE - PRESIDENT**

Jean Morrissette has over thirty years of experience in the electrical industry. Jean is a licensed electrical contractor in the states of Florida, Georgia, Virginia, North Carolina and South Carolina. He attended Winter Park High School and is a 1975 graduate of the University of Florida. He has worked at all levels of commercial construction from electrical apprenticeship to company owner. His abilities in design and code knowledge have proven invaluable to our clients in delivering projects within budget and on schedule.

ED BRUHNS - SENIOR ESTIMATOR

Ed Bruhns is a native of Long Island, New York, who began his career as an electrician in 1954. He spent many years as a journeyman electrician and supervisor. Ed has resided in Florida for twenty-six years and has been involved in many projects during this tremendous growth period. He has been estimating since 1972 and has successfully bid projects up to the million-dollar range. He has developed much of his own software in order to increase the speed and accuracy of his estimates. His extensive background is a tremendous asset when estimating a job and when problems or changes arise on a job.
